

## STUDENT PARKING – APPLICATION & INFORMATION

### 2022-2023 Academic Year

NUNM maintains several lots designated for students, faculty, staff and guests. **Students need to complete and submit a new parking application for each term by the Friday of the first week of classes:**

**September 16, 2022** – Fall Term application deadline

**January 7, 2023** – Winter Term application deadline

**April 7, 2023** – Spring Term application deadline

**New this year:** In addition to full-time parking permits that are good Monday – Saturday (\$107), students may now purchase a part-time permit, good for three days per week (\$65). Students will need to indicate which three days of the week they will park on campus on their application.

- **Parking applications must be returned by email to [parking@nunm.edu](mailto:parking@nunm.edu) no later than 5 pm on the first Friday of each term.**
- Parking hang-tags will be placed in student mailboxes during the second week of each term.
- Specific lots will be designated as part-time or full-time student parking based on demand. These details will be announced the second week of the term.
- The fee is \$107 each term for a full-time parking permit or \$65 for a part-time permit. Your student account will be billed directly.
- Daily permits may be purchased at the NUNM Bookstore (Academic Building, Room 115) for \$5. Make sure you plan in advance so that you have a permit available on the morning you need it!
- **Do not park in the white or yellow spaces that are marked “RESERVED” or “VISITOR.”**
- **There is no student parking at Lair Hill Health Center or Helfgott Research Institute.** Students who have a valid parking permit may park at HRI only for the duration of their class(es) in that location.

#### ***It's the first day of the term and I don't know where to park – help!***

You may park in the lot **ONLY** if you have a hang-tag permit displayed on the rear-view mirror in your car. All others will be subject to a \$25 fine (see below). Please do not park in reserved or visitor spaces.

#### ***How does NUNM know that I can park in the lot?***

NUNM security will patrol the lots daily. Your hang-tag permit must be placed on your rear-view mirror, facing out, so it can be seen from the front of the car **EVERY DAY**. Vehicles parked with no hang-tags will receive a warning, with second offenses resulting in a \$25 fine, charged to the student's account. Excessive violations may result in suspension of parking and/or towing. The hang-tag permit may be used on any car for which you provided information on your parking application.

#### ***During what hours are student spaces restricted?***

Student parking spaces are valid from 6 am – 5 pm, Monday through Friday, unless otherwise instructed by the Director of Security. Evening and weekend parking in all non-reserved student spaces with white striping is open to all students, staff and faculty. Overnight parking is not allowed anywhere on the NUNM campus.

#### ***Can I park on the street?***

The City of Portland **WILL** ticket cars parked longer than 2 hours. NUNM has no control over street parking regulation.
